
Wheeler County Fairgrounds

Thank you for your
support, we couldn't do it
without you!

Established in 1914, the Wheeler County Fair & Rodeo is a family event that brings our communities together. It is a time and place to share talents, support our local youth, take in a rodeo and enjoy all the food and fun that go along with a county fair!

The Wheeler County Fair Board would like to take this opportunity to thank you for your consideration in sponsoring our event. It is friends like you, both inside and outside Wheeler County, that allow us to do what we do.
